

BHARATI

ONE NATION. ONE SCRIPT.

Bharati-Gujarati Primer

bharati

one nation. one script.

Bharati is being proposed as a common script for India.

The Roman script is used as a common script for many European languages (English, French, German, Italian etc.), which facilitates communication across nations that speak and write those languages.

Likewise a common script for the entire country is hoped to bring down many communication barriers in India.

- Prof. V. Srinivasa Chakravarthy,
Bharati Team, IIT Madras.
